SAN REMO'S MOST SIGNIFICANT VACANT COMMERCIAL SITE

- Premier Township Precinct
- Valuable Rear Laneway Access
- Comparable township development sites have 4 storey approval (STCA)
- Front Row - Postcard Water Views
- Main Street, Best Position

Whether a current site for immediate use or a longer term holding, this site is the area's most significant strategic parcel of vacant land that is available.

San Remo is a prominent coastal township at the entrance to Phillip Island. It hosts all the unique charm and character of an authentic fishing village yet is fast becoming a coastal hotspot with new subdivisions and a high school campus under construction.

The area is comfortably commutable from work from burgeoning south eastern suburbs of Melbourne and is only 125k's from the Melbourne CBD.

The population profile here is quickly changing and property prices are increasing significantly.
